

# Island Prosperity A Focus for Change

## Call for Applications

Through the Island Prosperity Strategy, Innovation PEI is implementing a second call for applications for the Premier's Medal for Innovation and the Graduate Student and Post-Doctoral Fellowship program. These programs support growth in our economy through the strategic sectors of bioscience, information technology, aerospace and renewable energy.

### Premier's Medal for Innovation

The Premier's Medal for Innovation is offered to a researcher in the public or private sector who has demonstrated excellence in their field and has created significant economic activity. This prize money will be used to further the research agenda of the lead researcher in one of the priority sectors.

**Deadline for applications will be August 4, 2010 at 4 p.m.**

### Graduate Student and Post-Doctoral Fellowship

Graduate students and Post-Doctoral fellows are at the heart of most vibrant and active research groups. The Innovation PEI Graduate and Post-Doctoral Fellowship program is designed to support and develop highly skilled researchers' in the strategic sectors. This support allows them to gain research experience in industry while undertaking their Graduate or Post-Doctoral programs.

**Deadline for applications will be July 2, 2010 at 4 p.m.**

Interested applicants can visit <http://islandprosperity.com/currentcomp.php> for further details on funding support, criteria, and to obtain or complete the application form.
